## Children's Programming

### Story Time

Every Friday, September—May, join us for story time in the Library Annex, Room 156. Story time is for children pre-K to 5 yrs and each week a different theme, story and craft is held.

Dates for September are:

Fridays: 9/2, 9/9, 9/16, 9/23 and 9/30

### Make and Take and Saturday Programs

September is Friendship Month and we will be making beaded friendship bracelets during our Make & Take on Thursday, September 15. This is also a Patch Activity, so participation earns your child a special patch out of the Patch Club!

Saturday, September 17 we will celebrate Hispanic Heritage Month with a program dedicated to music, culture and language. Join us for this educational fun time— and it is another patch activity!

Celebrating  
**HISPANIC  
HERITAGE**

## Teen Squad

Casey Memorial Library introduces “Teen Squad” every Wednesday between 6pm and 7pm for teens to hang out and enjoy stress free group activities.

Teens are welcome to come every week or when their schedule permits. The “squad” is for teens ages 11 years to 18 years old.

Programs include: crafts, robotics (engineering, circuitry and experiments), art and games.

All materials are provided and the group is managed by a librarian. Parents are welcome to drop off or stay and enjoy the library, but this is a teens only group!

For more information, please contact the Public Services Librarian at 254-287-2716.

## Database Courses

We have designed introductory courses to all of our databases. Our online resources are almost endless: languages, e-and audio books, newspapers and magazines and DIY.

Each 45-minute course will introduce you to our online resources and then focus on one of the databases.

Librarians assist you in setting up and exploring the database in order for you to have the freedom to connect on any computer no matter where you are located.

Our databases serve our military when away from their home allowing them to access information from anywhere. For families, we have databases for children and adults for learning and leisure.

September courses and dates are:

Thursday, September 8  
“Mango Languages” - access to over  
70 languages  
45 minute courses at 4p and 6p

Thursday, September 29  
“OverDrive” -  
download e-books and audio books  
45 minute courses at 4p and 6p

Courses are held in the  
Main Library Computers

For more information,  
please call 254-287-2716
