The HIRED! Apprentice Program provides 15-18 year-old youth with meaningful, professionally-managed career-exploration opportunities in Morale, Welfare and Recreation (MWR) operations. Participants receive valuable paid work experience and training to better equip each participant with the skills needed for a highly-competitive job market. Opportunities to work after school and weekends exist year round in programs like food service, child care, outdoor recreation, libraries, fitness centers, golf, and more! Teens may participate in up to two (12 Week) apprentice terms per year and will receive a stipend based on how many terms they complete!

Youth must re-apply for each Term. Spaces are filled by the date the application is received and processed. Only completed applications can be processed. You must attach a copy of a report card or transcript less than 6 months old. Report card must show at least a 2.0 grade point average. Youth must also be registered with Child, Youth, and School Aged Services.
